Name: Matt Krajcik Date: May 31, 2026

Contact Information - Email: Mkrajcik@RJSchinner.com Phone: (262) 946 4078

Date of Birth: June 23, 1994 Years Employed in Sanitary Supply Industry: Two

Company: RJ Schinner

Position: Accounting Manager

Company Mentor/Sponsor: Tim Scott / Ken Schinner

In addition to submitting your resumé, introductory video, and letter of nomination/recommendation, please complete the following information as applicable:

Volunteer Activity:

Please list the name of institution, dates of volunteer work, description of volunteer work, and why it is important to you.

Since August 2025, I have served on the Mission and Ministry Council at Our Redeemer Lutheran Church and on the church's Finance Subcommittee.

In these roles, I collaborate with church leadership on ministry initiatives, community outreach efforts, and financial stewardship matters, including budgeting,

evaluation of the church's financial health, and oversight of designated funds such as a building renovation campaign. I also support the church's annual

Fall Fest fundraiser, which brings together local vendors, food trucks, and community members to raise funds for important charitable cause.

Work Activity:

Please list all current and past employment (include dates). For each job describe the nature of your position and any management positions held.

Accounting Manager | RJ Schinner Inc. (Nov 2023 – Present): Oversee daily operations, month-end close procedures, and internal controls for a major sanitary supply redistributor. Partner with the Controller to lead the accounting department, ensuring timely reporting. Prepare and distribute month-end financial statements and variance analysis directly to executive leadership. Lead cross-departmental collaboration for fiscal year budgeting and forecasting, manage external audit/tax relationships, and support executive leadership on high-level strategic projects.

Senior Audit Associate | Deloitte (Dec 2020- Sept 2023) & Grant Thornton (Oct 2017 – Dec 2020): Spent six years executing and leading financial statement audits for mid-market to Fortune 500 corporations (\$250M to \$15B+ revenue). Progressed to Senior Associate roles responsible for managing project timelines, monitoring contract economics, and analyzing complex financial risks. Developed core leadership skills by conducting live training sessions for international teams and providing direct mentorship and performance feedback to junior staff.

Personal Accomplishments:

Include any accomplishments that you would like to be considered in evaluating your application.

Earning my Certified Public Accountant (CPA) license and my Master of Professional Accountancy (MPA) are significant milestones I would like to be considered in this application. Navigating the rigorous demands of a master's program, followed by the dedication required to pass the CPA exam, tested and proved my work ethic, time management, and resilience. Achieving these credentials provided me with a strong foundation of financial expertise that I draw on daily as a manager, and it represents my ongoing commitment to professional growth and excellence.

MATT KRAJCIK, CPA

(262) 309 2264 • Krajcikmatt@yahoo.com • 3247 Twin Creeks Rd, Jackson, WI 53037

Strategic finance leader with experience driving enterprise-wide planning, forecasting, and financial analysis to support executive decision-making and long-term strategy. Proven ability to translate complex financial data into actionable insights that improve performance, efficiency, and profitability. Recognized for partnering cross-functionally with operational and executive teams to support strategic growth in fast-paced environments, while building and mentoring high-performing teams.

PROFESSIONAL EXPERIENCE:

RJ Schinner Inc.

Accounting Manager: November 2023 – Present

- Prepare and oversee monthly financial reporting, analyzing actual results versus forecast and communicating key drivers and variances to executive leadership.
- Lead annual budgeting and forecasting process, partnering cross-functionally with department leaders to develop accurate, data-driven financial plans.
- Design and implement reconciliation controls, strengthening financial data integrity and supporting more reliable forecasting and performance analysis.
- Partner with the Controller to manage month-end close activities, ensuring timely, accurate financial reporting to support business decision-making.
- Support CEO, CFO, and executive leadership on high-impact, financial analysis and strategic initiatives.

Deloitte and Touche LLP

Senior Audit Associate: December 2020 – September 2023

- Conducted integrated financial statement audits for Fortune 500 clients with annual revenues exceeding \$15 billion, ensuring compliance with US GAAP and PCAOB standards.
- Collaborated with supervisors to create comprehensive budgets and monitor engagement economics for multi-million-dollar audit contracts.
- Designed substantive procedures and executed testing related to recently acquired Goodwill amounting to over \$36 billion deemed to be a significant risk of material misstatement.
- Assisted clientele in identifying key controls related to front-office and back-office system conversions.
- Held live coaching sessions training international component audit teams building global relationships.
- Interpreted and applied FASB codification to address complex accounting matters, ensuring compliance with accounting standards and regulations.

Grant Thornton LLP

Senior Audit Associate: August 2019 – December 2020

Audit Associate: October 2017 – August 2019

- Conducted financial statement audits for mid-sized companies ranging from \$250-\$400 million in annual revenue under US GAAP and AICPA standards.
- Applied ERISA standards to execute audits for a variety of employee benefit plans.
- Communicated expectations with less experienced staff providing both informal and formal feedback.

EDUCATION:

University of Wisconsin Whitewater

Master of Professional Accountancy: Fall 2016 – Spring 2017

Bachelor of Business and Administration (Accounting Major): Fall 2012 – Spring 2016

ACCREDITATION:

Certified Public Accountant, State of Wisconsin
American Institute of Public Accountants

SKILLS:

- Strong knowledge of accounting policies supporting accurate financial reporting and analysis
- Advanced Microsoft Excel user with experience building financial models, analyses, and reporting tools
- Experienced in financial systems and data analysis across ERP and planning platforms, including Epicor, SAP, Oracle, and Hyperion
